Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks. In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

MINERAL WELLS & WILSON HARDING GOLF COURSE DRIVING RANGE

- **OK to film at Mineral Wells.**
- **OK to bring in greens for picture.**
- **OK to run cables along the hillside.**
- **Co. personnel must remain on the existing pathways along the hillside below the trail, no walking on or trampling any vegetation**
- **OK to film exterior walk and talk dialogue scenes.**
- **OK to film a simulated a crime scene.**
- **OK for talent to have weapons brandished.**
- **OK to have 10 picture cars on site.**
- **OK to film on the Mineral Wells Trail.**
- **Company must provide signage notifying park patrons and equestrians that filming is taking place and redirecting them around the filming area at the Mineral Wells Trail.**
- **OK to place 3 picture cars on the Mineral Wells trail above the paved road at Mineral Wells, maintaining emergency access.**
- **Ok for placement of 2 – 40ft condors on the service road at Mineral Wells.**
- **All vehicles that are placed on the trail must enter and exit the trail via the Northeast end.**
- **Vehicles are not allowed to loop around the trail down to the paved road, since the trail becomes too narrow. Vehicles are to pull in and back out at the Northeast end of the Mineral Wells Trail. No exceptions.**
- **OK to film drive ups and aways on the paved road at Mineral Wells, between the 2 white t-bar gates.**
- **OK to have 80' condor on the paved road below the Mineral Wells Trail.**
- **Company must maintain a 20' emergency lane open at all times on the paved road below the trail.**
- **OK to set up free standing tents, tables and chairs at the turf. No staking allowed.**
- **No driving shots (including ITC), parking or staging of any vehicles/equipment along Griffith Park Drive.**
- **OK to park working trucks in the Mineral Wells Parking lot.**

NOT A PERMIT

- **OK to film at the Wilson Harding Golf Course Driving Range.**
- **OK to film exterior walk and talk dialogue.**
- **Must leave portion of the driving range closest to the street open to the public.**
- **OK for talent to brandish weapon.**
- **OK to camouflage palm trees on North side of putting green next to driving range with greens.**
- **OK to turn off florescent lights in over hang at the driving range.**
- **OK to hang a 20'x20' silk from second level of driving range.**
- **OK to cover Griffith Park signs on benches and trash cans for that are in picture.**
- **OK to cover logo on swing practice kiosk under the over hang at the driving range.**
- **No driving shots (including ITC), parking or staging of any vehicles/equipment along Griffith Park Drive.**
- **OK to park smaller vehicles in the parking stalls adjacent to the Driving Range along Griffith Park Drive that will not impede or interfere with the flow of traffic.**
- **OK to stage in the parking lot behind the pro shop.**
- **OK to use 2 employee parking stalls on the North East side of the pro shop to park generator.**
- **OK to park in the main Golf Course parking lot taking up the first row (see attached map) only. Ok to cone off and have exclusive use as a safety precaution.**
- **OK to park in the Turf Management parking lot.**
- **Must leave the row of parking on the East side of the turf management parking lot open for employees and patrons to park.**
- **Company may not block or impede access to any of the parking lots.**
- **Crew parking off site.**
- **Company must leave all areas clean upon completion of filming.**
- **Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.**
- **Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.**
- **Nudity is prohibited and not allowed in any Recreation and Parks facility.**
- **Film permits do not provide exclusive use of a park or recreation area.**
- **Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and on park streets at all times.**
- **A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.**
- **Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.**

NOT A PERMIT

- **Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.**
- **Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.**
- **A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.**
- **Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.**
- **A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.**
